FOR IMMEDIATE RELEASE**May 12, 2016****Arthur W. Wood Company, Inc. Announces New Division**

BOSTON, MA --Arthur W. Wood Company, Inc. ("Arthur Wood" or "Wood") a Boston-based Financial Company, recently announced the launch of its new Equity Research and Sales division. Based in Boston, MA, the new division will provide proprietary equity research services to institutional investors.

"We are excited to be expanding our Firm into the Equity Research business", noted Don McCarthy, CEO of Arthur W. Wood Company, Inc. "The depth, knowledge and experience this division has will play a critical role in helping institutional investors analyze the complex and dynamic sectors that we cover. Unlike most traditional research firms, our analysts leverage their extensive domain expertise and insights to identify disruptive trends/companies, and the implications they have throughout the supply chain."

Arthur Wood's equity research methodology is rooted in a channel-based approach and is focused on technology, consumer, and consumer-retail sectors. Within these sectors, coverage areas include; hardware, components, software, telecom, cable, media, restaurants, grocery, and consumer packaged goods (CPG). Analysts go beyond the fundamentals to uncover thoughtful insights that they believe will become significant catalysts for each of the companies and sectors covered.

The Equity Research and Sales division includes two equity sales professionals, and three senior research analysts, with a combined 91 years of experience. Anne Buckley, President of Buckley Compliance Consulting, Inc., will be joining as General Counsel for the Firm and Managing Director for this division.
